## National Workers' Compensation Program for Home Health Care, Companion Care, VNAs & Hospices

### Highlights:

- Stable and consistent source of coverage, backed by our dedicated partner carrier (Berkshire Hathaway/GUARD Insurance Co. "A+ Superior" rating)
- Competitive pricing (guaranteed cost, including multi-state risks)
- Minimum premium \$7,500., up to 1M+ premium accounts (at least 2 years in business)
- Proactive claims handling and loss control services
- Installments, "pay-as-you go" and self-reporting payment plan options
- Workers' Compensation 5% Premium discount now available for eligible\* NAHC members

*\*Where state insurance regulators allow*

*We offer workers' compensation on a national basis as part of our "all lines" business insurance program. Coverage also includes professional and general liability, property, non-owned auto, abuse, telehealth coverage, third-party fidelity and cyber liability. Share this information with your local agent or broker today, and ask them to obtain a competitive quote for you in our program.*

---

**We can work with your local insurance agent or broker of choice (we do not sell direct).**
